Press Release: 13 March 2017

OVER 2,000 M LHULLIER STORES IN PHILIPPINES TO CARRY ASIATRAVEL'S PRODUCTS

Philippines' population has crossed 103 million¹, was in 2016 ranked the world's 36th largest economy and 3rd largest economy in ASEAN², and is now termed an NIC; newly industrialised economy, transitioning from agriculture to services and manufacturing. Domestic travel grew more than 12%³ in entire 2016 while the Department of Tourism (OTDPRIM) reported a 23.6%⁴ growth in arrivals (631,639 visitors) in January 2017, a record month in history.

To make it even more accessible and convenient for the Filipino population who are spread over a vast archipelago of 7,000 islands, Asiatravel.com ("Asiatravel") and M Lhuillier Financial Services ("M Lhuillier") inked an agreement to let consumers enquire, book and pay for Asiatravel's domestic and global travel products at M Lhuillier's over 2000 stores throughout Philippines.

MLhuillier, which 25 years ago offered only collateral lending has since grown into one of Philippines' most versatile financial institutions with services including remittance, bills payment, logistics, and insurance among others. This year it plans to add another 200 stores to its existing network of 2,000 stores. A special travel website will be powered by Asiatravel for M Lhuillier while all its stores will be immediately trained by travel specialists from Asiatravel on how to serve customers' travel enquiries and even process bookings for them.

Michael Lhuillier, M Lhuillier's President and Chief Executive Officer commented on this partnership: "As our country becomes more progressive and successful, we want the Filipinos to be able to see the world. We always look for better ways to serve them and better services to give them. Travel is just one of these things."

Nikki Rocha; Asiatravel's Executive Vice President for Philippines, Hong Kong and Thailand added: "Unlike in the past, travel products were only more accessible in the cities or areas close to the cities. This partnership is extending our reach to the Filipinos not just to those with access to the Internet or to those with credit card, but to everyone even in the remote areas of the Philippines."
